

## WPK Englisch

Kursleiterin: Frau Blunk

You enjoy speaking English? You always dreamed of going to America or Britain? Well, we can't do that!!! But we will have a closer look on what options you have after school in America or Britain. Do you want to go to an English speaking country as an au-pair or exchange student? Do you want to do an English course in L.A. or work in a camp in America or Britain?

We will have a lot of fun with English and everything that has something to do with it.

### Have fun with English

- ☺ We will do some acting and write our own role-play.
